We'd Like to Remind you

Gifts to the UI Foundation, the channel preferred by The University of Iowa for private support, qualify as charitable contributions to an IRC Sec. 501(c)(3) organization for federal income, estate, and gift tax purposes.

When all contributions are received, if the gift commitments are insufficient to endow this fund (if applicable) or cannot be used in the manner described, the Foundation may designate that these gifts become expendable and/or used to support another UI purpose that most closely reflects the fund's original intent.

May We Help you?

- Please send me information about recognition in The Presidents Club and other honor clubs for contributors.
- My current estate plans provide The University of Iowa through the UI Foundation.
- I am a University of Iowa employee and would like to support this fund through payroll withholding. Please send me the necessary form.

Naming Opportunity

In the event a naming opportunity is sought in recognition of the above gift/pledge, the Foundation may request The University of Iowa to name the applicable faculty position, non-academic position, student support, program, facility, or fund in the Donor's honor. Any such recognition is subject to the ultimate and prior approval of the Board of Regents, State of Iowa, the president of The University of Iowa, and/or other appropriate University of Iowa officials. The naming of a facility, if any, shall remain in effect until such time as the University determines the facility has exceeded its useful life or the facility's use has become impossible or impractical. The naming recognition remains subject to applicable policies of the Board and University and to subsequent reconsideration by the Board and/or University. Only in extraordinary circumstances, the University and/or Board may reconsider the naming if the prior approved naming may be damaging to the reputation of the Board or University, or contradictory to applicable law or to the policies, procedures, or strategic objectives of the Board or University.
